November 9

November 12, 1918—the day after armistice day ended WWI—was the official groundbreaking for the U.S. Naval Torpedo Station in Alexandria. With an eye to our future, we're celebrating our past and our military history. Target Gallery also opens *Art of Armistice*, which explores the aftereffects of war.

100 YEARS

Connecting the Dots II

December 14

The region is bursting with fresh talent and new artists from Virginia, D.C., and Maryland. They converge for a lively night of music and art. Target Gallery honors the 2018 Post-Grad Residents and features some of the best work they created during their time at the Art Center. The 2019 Post-Grad Residents will also be announced.
