Target Gallery invites artists working in all visual arts to apply for the upcoming group exhibition "Hypotheses". This exhibition is all about the process of intellectual experimentation and/or the exploration of new ideas and techniques in an artist's practice. The goal of this theme is to create a dialogue of work in conversation with each other about embarking outside one's traditional boundaries of understanding. Whether it be based in cerebral or scientific research or embarking on a new technique or conceptual idea, each work in the exhibition will embody this concept of questioning and discovery.

This exhibition will be presented both on a digital platform and physically in the gallery space.

Directions For Entry

The gallery accepts online submission form only via Submittable. To apply, you must create an account first. This will allow you to monitor the status and receive notifications about your submission. You will only need to create the account once—if you have used Submittable before you can simply log in to your account to submit. This includes uploading your images and paying via Submittable. A non-refundable \$25 entry fee includes submission for 3 pieces of artwork—each work may include one image along with only one detail image per work. All images should be high-resolution (300 DPI). The application must be received by Target Gallery via Submittable no later than 11:59pm E.S.T. on the deadline listed above.

Exhibition Terms

A commission of 30% will be taken on all works sold as a result of this exhibition. Payment will be mailed to the artist within 30 days of the exhibition closing. Works are insured while in Target Gallery. Artists are required to sign a Loan Agreement if accepted. Target Gallery will keep the images and/or videos of accepted works and reserves the right to reproduce the images and/or videos for an online catalog and media promotion.

Delivery

Artists are responsible for the delivery of the work by drop-off or shipping. If shipping they must send the work to the gallery in sturdy, reusable boxes. Return shipping must be issued as a prepaid call tag, enclosed with artwork or as arranged with the gallery. The City of Alexandria will not be responsible for shipping costs or any damage incurred in transit or post-exhibition.

Limitations

Work should be less than 15 feet overall (height + width + length), with no one dimension measuring more than 7 feet. Final measurements must be inclusive of frame, if applicable. Weight may not exceed 150 pounds. Work can be hung, depending on weight, but not drilled to the ceiling or the floor. Contact gallery directly to confirm for accommodations. All entries must have been conceived and created by the artist submitting the work and must have been created in the last 5 years. All work selected must be ready for exhibit: 2D work must be framed with secure hanging devices; 3D work must be suitably prepared with instructions for installation. The gallery reserves the right to reject work that differs from submitted images. Please refer to the application for specific instructions for each exhibition.
